

Mid-Week Advent Prayer and Devotion Week Three

Read 1 Samuel 18:6

We light this candle with Joy

to remind us that our happiness and fulfillment comes from God.

My heart shall cry out, "The world is about to turn!"

We shout with Joy and dance in the streets to proclaim your mighty works and hope for the care of your creation. How lucky we are to have your love, O God of our salvation!

Exalt the Lord! Praise the Creator's name on high! We are a part of God's creation, beautifully and wonderfully made. In this time of year amid the festivals and lights, we remind ourselves of the Joy that comes from loving and being loved. We bring everything we possess to the altar, so our gifts may glorify the coming Savior prophesied to us. **AMEN.**
