Converge identify folks in your church or other places who might be looking for a place to share their progressive faith and put it into action. Invite a small group together. Get the details from the info sheet or the website.

Converse Talk about your faith and how you might respond to other expressions of faith.

Act Decide how you will take action together on issues of importance in your community, your church or the world at large.

Share Go to the Facebook page or the website and share details, emails, pix of your gathering and ideas for action with other progressive Christians!
